

The North Shore Firefighter Challenge Association - NSFFC

We are a not-for-profit organization and are committed to benefiting and reaching as much of our North Shore community as possible. How we began....

A small spark of an idea began to simmer in Ryan's head. An event for firefighters to train together and connect. He reached out to three firefighters that he respected and are his mentors. Bill, David and Jordan shared the same spark and dedication, agreeing to help him make this succeed. Two more firefighters, Jacquie and Alex were the last pieces to the puzzle to make the team complete.

This event is run **By Firefighters, For Firefighters** and we hold ourselves to the highest standards. Our intent is to create an annual event that benefits the growth of firefighters, encourage old and new members, team moral, and helping our North Shore communities.

Last year, we had 18 teams and over 2000 visitors come to enjoy the Challenge and anticipate just as much excitement for this coming year. We raised 700lbs of nonperishable food for our local food banks and our goal is to beat that number for 2025. The event filled local hotels, restaurants and brought new clientele to small businesses, in turn, creating a positive economic environment for our communities. Another great result was that recruitment has increased throughout the departments along the North Shore. As we grow and progress as a team, work with our communities, listen to feedback and develop our goals and ideas; the future of The NSFFC looks bright.

NORTH SHORE FIREFIGHTER CHALLENGE

Your Impact:

By donating to the NSFFC, you are benefiting the training and education of your local fire departments and helping create a fun and educational experience for the whole community. Ever dollar donated goes directly back to the events we host and towards funding other fire safety visits we attend as well. Your help makes it possible for our team costs to stay as low as possible, which will not only benefit your community departments but the safety of your family and friends.

How to Donate:

Company: _____

Name: _____

Donation Amount: _____

Contact Email: _____

Donations can be made via: Cash, Cheque (NSFFC, 47 Hwy 554, Iron Bridge, ON P0R1H0), e-transfer to: northshoreffchallenge@gmail.com, or direct deposit (upon info request).

Your name (company name) will be in our event program that will be available for all visitors and will be displayed on projector in rotation during the entirety of the Challenge.

Tax deductible receipt will be sent to the contact email address.

We thank you for your consideration of donating to our cause,

Ryan, Bill, Dave, Jordan, Jacquie & Alex
